Jayden Blue and the Call of the Wings  
A World So Close – Book Two

**Find what no one else can find, in a world that only you and your best friend can see: Look inside your heart.**

Jayden Blue starts each school day with a game chosen by his cats, Hex and Halo. This week, it's hide and seek. Sometimes, he has help from his best friend, Raylene Hawkins, and she always waits on his porch with him for the school bus.

With an important race coming up in gym class, will Jayden overcome his dislike of running and maybe even win the race? In his and Raylene's journeys to the World So Close, Jayden hears the call of the crow's wings and for him, running will never be the same.
